A Stroll in the Park

The Morrow Home Community joined together for a short dedication ceremony for the new trail behind MaryCrest Assisted Living Apartments, Friday, November 19th. Pastor Abernathy conducted the ceremony.

This new trail has been a dream of our organization since MaryCrest was planned over six years ago. It will provide a south entrance to the trail for our residents and the community. With the trail near Parkview Independent Living Apartments, we now have a circular route for our residents and others to travel.

The construction crew just finished the railings and pads for benches the day prior. The first ones to grace the path were Ann Newman, MaryCrest resident; Todd Ramlet; Audrey Baux, Homestead resident; Anne Snell; Kathy Schmitz; Michael Bonello; Callie Fisher; Jo Shawley; and Pastor Abernathy.
