Morrow Home Community Receives New Hymnals

Through the generosity of the ladies at Mary Morrow's Attic, the residents of Morrow Home Community are the recipients of 70 brand new large-print song books. "Heavenly SONshine—Song and Scripture" have replaced the old large-print song books in the Morrow Home Chapel. The ladies also wanted BridgePath Advanced Assisted Living and Memory Care to have new books, so 50 books went to the Chapel and 20 went to BridgePath for services there.

The old books will find new homes too within the Morrow Home Community.

Thanks go to Jean Mattakat and all the volunteers at the "Attic" for their continued ministry to the Morrow Home Community and Sparta community!
